## **"Breeding That Continues To Produce"**

I am extremely pleased to work with the owners of the following three herds in helping present this sale offering. Each has selected an outstanding draft of cattle, all of closely related bloodlines and of such outstanding quality as to build this auction into an annual event for these owners.

We will all have to admit that CARL RETZLAFF & SONS have always kept "One Jump Ahead", so to speak, of their herd bull problem. Obviously, of course, this has been a great service to their many customers as well as to the quality build-up in their own herd. Right now it looks like these calves by Tolquhon President are the Retzlaff headliners. He has been a sire that has been very active in service and every one of his calves carries the same stamp. I sincerely believe that they have more good calves on the farm and most of the oldest ones will be offered in this sale, than they ever have had from any one bull they have ever used and that is saying a great deal when you consider such former great sires as Brawith Gold Nugget and Millhills Starry Archer.

O. R. HYDE & SON and GRANDSON, all better known as Otha, Dick and Bill, have been breeding Shorthorns for 47 years, almost as long as the Retzlaff's. They haven't stressed show records as much as they have the production of money-making, all around good-doing kind of Shorthorns. The use of top sires has paid off well here too. Dick Hyde at present is president of the Southwest Iowa Shorthorn Breeders' Association and consigned the top and reserve champion heifer in this association sale a year ago last fall.

When it comes to naming some "real comers" in the Shorthorn business, you have to take your hat off to ED PULLIAM and DAN McCUBBIN, owners of AK-SAR-BEN ACRES, at Omaha, Nebraska. No new herd has come up the ladder faster and if you will watch these fellows during the next few years, you are going to see the name Ak-Sar-Ben Acres in print quite often. They will tell you there is no secret to their operations, but by following a policy of breeding, showing and selling and buying GOOD SHORTHORNS, they have been able to accomplish a lot. They had both champion females at the 1952 Omaha show and sale and to really make this sale offering click they are offering every member of their 1952 show herd.

I am confident that you will like the cattle in this sale and that your visit to the Retzlaff farm on September 23 will be most pleasant and profitable.

TOLQUHON PRESIDENT — His first sons and daughters are being featured in this sale. It is easy to pick them out because of their good heads, uniform rich red color, blocky conformation and bulging quarters. His sire, Pittodrie Banker was a Perth champion and Tolquhon President is a full brother to the dam of the 1950 Chicago International grand champion female, Tolquhon Dazzling Princess. He is also a full brother to the sire of Erimus Dandy, the noted Highland View Farms bull. His dam, Larbert Princess Royal 20th is a full sister to Larbert Patrol, recognized as one of the outstanding sires in Scotland. We are offering nine of his first sons and daughters in this sale. Competent judges have said they are the best bulls and females we have ever produced.

CAMSON GOOD NEWS — This is the junior herd sire that we selected to use on the daughters of Millhills Starry Archer and Tolquhon President. He is a son of Calrossie Good News, the most popular sire in Scotland today. Top herds everywhere have been tying to this Kirkton Baronet breeding because of their good heads, smoothness, type and balance. Some of the top females we are selling in this sale have been mated to him.

We have mated 20 heifers to this young sire and six of them sell in this sale. The best way we can describe him is to say he is just about as much bull as it is possible to get under one hide.

**EDELLYN GOLDEN PRINCE**

Several of the Ak-Sar-Ben Acres females either sell with calves at foot or are bred to EDELLYN GOLDEN PRINCE. He is an imported in dam bull sired by Uppermill Metaphor, the Supreme champion at the 1948 Northern Royal Show and now one of Scotland's outstanding sires. His dam is by the noted Craggleton Prince Bob by Craggleton Perfect. This young bull was purchased in the 1949 Chicago International Sale and has recently been sold to Russell Holz, Stephens, Missouri.

EMPIRE GOLDEN FAME 21st — we purchased this youngster at 12 months of age after he was made the 1952 Missouri State champion bull. He is a member of our 1952 show herd and will be one of the good junior yearling bulls out this year. We have used him heavily in our breeding herd and you know how much good Helfred Golden Fame did for Dale Bellows at Maryville, Missouri.

Roan, Louis Buchholz

LADY CLIPPER 11th — this cow has been a money maker for us. She is the mother of the white heifer we had at Columbus in the fall of 1950. She also is the mother of the roan heifer we sold to S. J. Fields when she was eight months old for \$500. She has a good bull calf that we will sell in the National at San Francisco this fall. She will calve shortly after sale date to the services of Edellyn Golden Prince.
